Summary:

“In your opinion, how many wheels do you think your Camaro should have?”

-

billy gets a phone call from his little sister. steve is there for damage control.

four

Author's Note:

been sitting on my tumblr for about a year, thought I should probably post it here too! Enjoy friends :)

“Hey, *so*,” Max’s voice echoes through the receiver, “In *your* opinion,” She pauses.

“Out with it, shitbird.” Billy replies, his phone resting on the coffee table in Steve’s lounge room, on loud speaker.

He hears her sigh, “In your opinion, how many wheels do you think your Camaro should have? Cause like, in my opinion, probably like, *four*? And I mean currently there are four wheels, like, within close *vicinity*. But, like, uh, one of them, may or may *not* be in a bush about three feet to the *left* of the car.” She finishes, finally taking a breath.

Steve’s hand is instantly reaching for the phone, his eyes on Billy the whole time. Billy’s chest is heaving, his eyes are wide. Steve watches his jaw twitch as he grinds his teeth together.

“Max? It’s Steve. Are you okay?” He questions.

“I mean, right now? Yeah. When Billy’s mind catches up with the words I just said? Probably not.”

Steve watches Billy intently. Sees his breathing slow down and his tongue poke out between his lips. He takes a breath.

“*MAXINE!*”

“Shit.”

Author's Note:

I've been thinking about writing for ian and mickey from shameless. would anyone be interested in reading for them?
